

Bulldog Academy 2020-2021

Parents:

Thank you for your interest in continuing your child's education in the Crestline School District during this challenging time. The Bulldog Academy will engage your child in courses and content aligned to Ohio's Learning Standards, College and Career Readiness Standards, and are approved by the NCAA Clearinghouse. For students in grades PreSchool through 8, Bulldog Academy courses provide the same content as students enrolled in the traditional classroom, including Art, Music, and Phys Ed. Students in grades 9 - 12 will have the flexibility to access a wide range of courses, including courses not currently available in the traditional classroom. The courses and coursework are entirely online and student-directed in terms of pacing and the time of the day in which the student works. This option will not "look" like remote learning looked in the Spring.

To learn more about the Northwest Online Virtual Academy (NOVA) and Lincoln Learning Curriculum being used in the Bulldog Academy, please visit the links below:

Other considerations for Bulldog Academy:

- Students must enroll for a minimum of one semester. The student may remain enrolled for the entire year. Bulldog Academy follows the Crestline Schools calendar.
- The home must have internet access
- Daily "attendance" is mandatory in accordance with state attendance requirements. Students are required to log in and work on courses daily, Monday through Friday. Courses are self-paced.
- Grades and credits will be issued in accordance with Crestline Exempted Village Schools Board policy.
- The district will issue a device to any student in need of a device to complete courses. The device remains the property of the school district and requires an insurance deposit and a signed acceptable use policy prior to being issued. Lost or damaged devices will be subject to replacement fees, payable by the student/family.
- Technical support will be available.
- Students participating in the Bulldog Academy are required to be enrolled in the Crestline Exempted Village School District.
- Students enrolled in Bulldog Academy **are** eligible for participation in athletics, extracurricular activities and clubs.

The deadline to enroll in the Bulldog Academy is Friday August 14.
