

Dr. Theodore Ebner
Allied Health Scholarships

The Avita Health Foundation is now accepting scholarship applications from college-aged students who are pursuing a course of study in an Allied Health field during the 2022-2023 academic year. All scholarships are made possible by the Avita Health Foundation and funded by donors and the Annual 5k Run/Walk and One Mile Walk. Applications must be received, online, by May 9, 2022. To date, these scholarships have provided more than \$100,000 to area students and Avita employees (Employee Scholarships) choosing to pursue a medical career in Allied Health. “Knowing the value of education and the costs involved, the Avita Health Foundation, is pleased to offer these scholarships to the next generation of health care providers who will strengthen and care for our Community in the future,” said Chuck Cangelosi, Chief Development Officer of the Avita Health Foundation. View each scholarship’s section for more information about eligibility and access to apply. Scholarship Recipients will be announced at the end of May.

Eligibility

1. The candidate must be one of the following:
 - A graduating senior from a high school located within Crawford, Richland or Morrow Counties
 - A student enrolled in a post-secondary institution whose permanent address is within Crawford or Richland County
 - A child of an active part-time or full-time employee, who has successfully completed one year service with Avita Health System, who is a graduating high school senior or enrolled in a post-secondary institution (regardless of address).
2. The candidate must be currently enrolled or accepted for attendance at an accredited vocational school, community college, or baccalaureate degree-granting institution.
3. The candidate must be seeking a **degree toward licensure or certification specific consideration given in the areas of Exercise Science/Physiology, Occupational Therapy, Physical Therapy, Speech Therapy, or Athletic Training.**

Other Considerations

1. Three scholarships will be awarded as follows:
 - One Scholarship @ \$1,000 and Two Scholarships @ \$500
2. The scholarship must be used by January 30, 2023 for fall or spring tuition (summer courses not included).
3. The scholarships will be paid directly to the institution on behalf of the student upon verification of enrollment.
