

November 22, 2020

Parents and Families,

COVID-19 continues to have an impact on how we can safely and effectively educate students in-person. Due to staffing and transportation issues, the Crestline Schools will be moving to remote learning on Monday November 23 and Tuesday November 24, 2020. Students will need to be engaged in remote learning activities both days in consideration of attendance reporting and because these are not calamity days.

Pioneer students and LEAP students will be transported as normal as those schools are in session for in person learning.

We will also have meals available for pick up at the building from 11 AM - 1 PM on Monday November 23.

There is no school for students on Wednesday November 25 as part of the regularly scheduled Thanksgiving holiday break.

Contact me via email (henderson.matt@crestlinebulldogs.org) or by phone with questions.

Take care and have a safe week.

Mr. Henderson
